Apreciada amiga:

Hoy mi comunicacion esta dirigida a usted con el fin de manifestar mi desacuerdo con la cadena Telemundo de San Antonio, por prestarse a darle pauta a un personaje como Yandu "El Poder de la Mente", pues no puede ser posible que a estas alturas de la vida y en este bello pais de oportunidades, y claro especialmente en esta gran ciudad, que es nuestra ciudad; se le de carta abierta y apoyo publicitario para que charlatanes y estafadores como el anterior senor mencionado, se aproveche de la bondad, desconocimiento e ignorancia del bello pueblo de esta ciudad de San Antonio.

Como lider de opinion y que tiene acceso a los medios de comunicacion, yo espero que usted se interese en este tema y pueda hacer algo al respecto.

Por otro lado...se acuerda de la pregunta: Que es teoria y realidad?

Espero por sus respuestas.

Cordial saludo.

Dear Enrique Martinez,

The purpose of this letter is to express the gratitude of the Esperanza Public Information Committee of Narcotics Anonymous for running the N.A. public service announcement.

We feel that it is very important that we bring to your attention the impact this PSA has on addicts, on families of addicts, and on friends of addicts. It seems that people who suffer from the deadly disease of addiction reach a point of total defeat. They are then ready to admit that they have no control over their drug use and become willing to seek and to accept help. It is crucial that they are aware that there is a fellowship and a program available to them in which addicts help each other to stay clean.

We are very grateful to your station for the part you play in circulating the message that recovery is possible and there is a solution. We feel that as a result of your support many people are now aware that they can lead a clean healthy, and productive life.

Sincerely,

Alice M. McGraw

Hello Maricela,

The 4th Annual "San Antonio, We've Got You Covered!" was a tremendous success. The agencies were stunned with the generosity of this city.

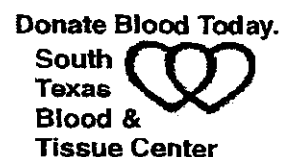

You can be proud of the way you helped position your station in the event. I was pleased that you "took ownership" of the event. I feel that it made everyone at the station rally around the event to support it.

Hundreds of men, women and children will benefit from the donations we received. That's something very special.

Thank you for all you did, especially spending the night. I look forward to your participation next year. The agencies are already talking about the 5th annual.

TEMA:**Felicitaciones****A QUIEN CORRESPONDA:**

Sirva la presente para felicitarlos por su gran acierto al obsequiar al auditorio, el fabuloso paquete de películas del gran mimo, Mario Moreno "Cantinflas"; una de ellas: "El Siete Machos", que hacía mucho tiempo que no se exhibía. Con esa acción dejaron muy atrás a todos sus competidores, en su pugna por arrebatar la atención de los televidentes.

Digo esto, por la experiencia que he tenido al haber regenteado salas de exhibición de películas, por espacio de veinte años.

Si se me permite, me referiré a un caso sucedido al planear una programación para una fecha especial. El jefe del grupo preguntó: "¿Qué película tiene la potencia de augurar éxito seguro? ... y uno de los participantes contestó: "Una de Cantinflas" a lo que dicho jefe lanzó una segunda pregunta: "¿Y qué es mejor que una película de Cantinflas? y después de un silencio solemne, otro participante exclamó: DOS PELÍCULAS de Cantinflas y el éxito fue rotundo.

Aunque actualmente la mayoría de los pseudo/programas televisivos están enfocados en temas sensuales y sexuales, violencia, cosas nimias y TARA-NOVELAS, aún existe una gran grupo de los que aborrecemos los citados conceptos.

Enhorabuena por su decisión de brindarnos este obsequio de navidad a la mayoría de nosotros, los televidentes silenciosos que tenemos que aguantar las ideas demasiadas modernistas de los que llevan la batuta.

Sin más de momento, aprovecho la oportunidad de desearles prosperidad futureña.

Atentamente,

Edmo Elizondo

Woody and Jamie,

As a listener to your show, I cannot tell you how amazed and truly inspired

I was this morning by the generosity you bestowed upon one of your listeners. A young woman called into your show expressing her excitement

about winning \$150 for her terminally ill child with Cystic Fibrosis.

When

she told you that she needed two plane tickets to North Carolina in order to

have her child treated, you responded in such a dignified and wonderful way.

What you did is not only of great value, but a measurable contribution to

help someone who needed you. A child, a family and undoubtedly a vast audience was able to realize a true testament to what the human spirit can

achieve when put to the test. So, thank you for your contribution and inspiration. It is valued and much appreciated by all.

Dear Mr. Glade:

I want to personally thank you for your time and generosity in supporting the YMCA and its Y Partners Campaign for this year. The additional visibility the campaign will have with the four billboards will be an enormous help as we seek to expand our donor base.

Donations to the Y Partners campaign allow thousands of children to participate in Y programs that otherwise would be unable. With the current economic climate and the challenges facing families today, the importance of being successful in this effort is underscored.

We are very excited about the partnership we have with Clear Channel in this year's campaign and particularly Matari Jones' willingness to be my co-chair.

Thanks again for yours efforts in making this additional publicity a reality and recognizing that "All Kids Count!"

Dear Mr. Kiesling:

We'd like to take this opportunity to say "thank you" to you and your staff for the continued support and involvement regarding the San Antonio NBA Hoop-It-Up event. This past year's event was by far the most successful in our 5-year history! Our success was due in no small part to the support received from your organization.

This year's event saw **857 teams** and **3,563 total players** take the courts for the best amateur basketball action to hit San Antonio this year. This was an increase of 283 teams and 1,152 players from the 2002 event or an increase of 49.3%!

With some beautiful weather and a picturesque backdrop of the SBC Center, the hard work and dedication put into the event culminated into one of the most successful events on tour. Hopefully you, as our event partner, as well as players and spectators, have the same thoughts.

Please find enclosed a token of our appreciation for your efforts. Additionally, we will be happy to forward additional event photos or other information as needed.

We look forward to getting together and discussing ways to build on our relationship for next year's event, tentatively scheduled to be held in early April.

Feel free to contact Matt Gafford at 972.392.5858 or matt.gafford@hostcommunications.com or Wendy Welsh at 210.481.1200 or wendy@outsidetheboxevents.com should you have any questions or comments in the interim.

Again, thank you for your support. I hope you enjoyed the same level of success through your involvement with the NBA Hoop It Up event.

Dear Tim,

My Hero!

Thank you for attending our Progress in Research event hosted by Dr. Robert Beall. Your attendance was an integral beginning to what we hope will be a lasting relationship. With a medical research budget of \$64 million for 2003, I am sure you can imagine how much we appreciate your kind support and would enjoy sharing with you our opportunities to give.

Since discovering the CF gene in 1989, the Foundation has worked closely with the biopharmaceutical industry to fund path-breaking research to repair the underlying genetic defect, as well as to develop new ways to treat the symptoms of the disease. New therapies that have emerged from this work have helped to extend the life expectancy of people with CF, and today there are more drugs in clinical trials than there have been cumulatively over the history of the disease. As a result of the Foundation's work, more and more adults with CF are leading fuller, more fruitful lives, supporting careers and families. The Foundation is also known as one of the most efficient charities in the country: 89¢ of every dollar raised goes directly to our research budget.

As a supporter of the Cystic Fibrosis Foundation, you are an integral part of these research efforts, and for that we are most thankful. Know that your dollars will *add tomorrows every day* to those with cystic fibrosis...

Sincerely,

Dear Tim:

Thank you for your participation in GREAT STRIDES 2003. We are so grateful to have such amazing people giving their time, energy and dollars to help in the fight against cystic fibrosis (CF).

This year's GREAT STRIDES event was a great success. Despite current economic difficulties facing our nation, GREAT STRIDES 2003 raised nearly \$20 million – more than a 6% increase over last year! This kind of result is directly attributable to the hard work, strong resolve, and unconquerable spirit of our volunteers, and others in the CF community involved in this vital fund-raiser.

For the first time in CF Foundation history, the path toward a cure and control for this disease is limited by funds, not by opportunity. The CF Foundation is only able to aggressively navigate the roadmap to a cure because of altruistic and committed individuals like you. The continued support and friendship of our marvelous volunteers will assure the CF Foundation's ability to move forward at an accelerated pace, and put an end to this disease once and for all.

Your efforts on behalf of all people with CF are deeply appreciated; thanks for all the wonderful things you do in the fight against cystic fibrosis.

Sincerely yours,

Dear Tim,

UTSA Diploma Dash 5K Run/City Championship Race 2003 was the best ever! Thanks to support from individuals and businesses like you! We had the best weather, and this resulted in a record number of runners – over 840! Being a part of the Mayor's Fit City Initiative also brought out a large number of walkers just looking for exercise in the beautiful weather.

The Health Fair gave our participants extra, added value. We heard many positive comments on this feature and will include it in the future. The children's area was also something new this year and received positive comments.

We appreciate very much your providing the on-air promotion for the race on 96.1 Radio and for providing the DJ and sound system on the day of the race. As it turned out, our sound system folks did not show. Therefore, without Robert we would have been out of luck for the awards program. Please express our sincere appreciation to him for his assistance.

We know you receive countless requests to help many good causes in the community. We are very grateful you chose to assist us and will make sure your support directly benefits our students.

Thank you again for being an important part of our event and contributing to its success.

Dear KJ97 Radio Station,

On behalf of the parents, students, administration and faculty of Concordia Lutheran School, we would like to express our heartfelt thanks for your generous donation to the "Be True to Your School!" Benefit Auction, which was held March 1st. Your contribution was acknowledged in the Auction Guide the night of the event and will also be listed in our 2002-2003 school yearbook.

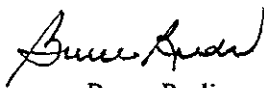

The auction was a huge success and we want to share the joy of that success with all of those who supported the effort. More than 400 people were in attendance and because of all the great items and services that were donated, more than \$95,000 was raised! These funds will benefit the overall educational experience of the children at Concordia. In addition, 10% of the money raised every year is given to the Student Scholarship Fund, which benefits students in need of financial assistance.

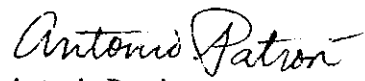

For the past 50 years, Concordia Lutheran School has served students and has turned out responsible, productive citizens and community leaders in a variety of fields. We are excited about continuing to provide our students with an excellent, well-rounded Christian education.

Please be assured that your involvement makes all the difference. We would love to give you a personal tour around the school so that you can see first hand the difference your support is making. Just call the school office at 479-1477 anytime for a tour.

We look forward to an ongoing partnership with you regarding the best investment we could ever make -- our children.

Dear Bill, Charlie and Chris:

I wanted to take some time to thank each of you and the entire staff at WOAI for allowing me to be part of the moving celebration of American Spirit yesterday. I understand and appreciate that this concept may have been originated with Glenn Beck and I certainly enjoyed hearing him speak and meeting him in person. Having said that, I understand that you three in particular and WOAI and the other Clear Channel members in general, were the driving force behind the rally.

I was privileged to sit on the stage with some other veterans and feel the honest good will and love from the crowd. I must admit that I spent nearly half the show with tears welled up in my eyes and at times streaming down my face. I also had the opportunity to meet a member of the original Rangers who made their name and well deserved reputation, climbing rope ladders up the cliffs on Normandy beach. I met a Korean vet who had lost all his fingers to frostbite and both legs to artillery fire. (I only wish I had half the energy and optimistic outlook that he and his wife have.) I met an Army Nurse from World War II, who was there with, her son who, having known the horrors of war, had had to watch that son go off to Vietnam. I met an Air Force Forward Air Controller who was shot down during a tour in Vietnam. (Thanks to the Army he was able to make it back safely because FAC's were not taken prisoner in Vietnam, they were killed on the spot.) I met a Muslim Imam, Omar Shakir (SP?) who's good heart, kind words and ways made me understand a little more about the difference between our enemies and true followers of Islam. (As a side note to Charlie - I understand your emotions with regard to Imam Shakir. I only spent a few minutes with him talking, and in those few minutes I could feel much of the anger and tension I have been carrying since 9-11 melt away from my heart)

The main reason I am writing today is to thank all of you for yesterday. By the end of this wonderful

3/3/2003

gathering of patriots I found myself healed of long held wounds from my time in Vietnam. I felt welcomed home. But more importantly I felt that America will treat our soldiers with respect, compassion and understanding. America is healthy and it's citizens, at least in and around San Antonio, are grounded in, and understand the foundations this Nation was created upon. This nation was founded to promote and insure the liberty of all mankind. First at home, and now across the globe.

Thanks to all of you, and thanks for letting me be a small part of this outpouring of support for our nation, our President and most especially the Men and Women of our military.

As a final observation: My wife and I were talking, while waiting for the rally to begin, about how nice it would have been to have a warm cup of coffee with some cognac to ward off the cold rainy weather. When Bob Guthrie got and began to speak I turned to my wife and said that Bob Guthrie's voice sounds just like warm cognac as it slides slowly down your throat on a cold rainy morning. What a great way to hear the words of our Declaration of Independence. Charlie, I don't think you will get Bob's voice when he dies, I think God will keep it for himself.

Thanks for letting me ramble on this way and thanks for all the hard work and efforts in the production of this wonderful event.

Chris:

I truly believe that moments like you describe are not by chance. There was a special presence there yesterday.

For whatever reason, I keep getting a mail error to Bill Rhode, will you please pass on my original email to him for me.

Thanks again,

Bill

Bill,

Thanks for your very kind words and thanks for participating in the Rally for America.

I was overwhelmed with feelings of patriotism, pride and emotion.

I was wearing my brother's flight jacket yesterday - he is buried along with my father at Fort Sam Houston National Cemetery. Before the Rally, a gentleman holding a large American flag approached me on the stage. He introduced himself as my brother's squadron commander of the 149th Tactical Fighter Group back at Kelly AFB. He was instrumental in selecting my brother for his Air National Guard unit in the late-70's. He noticed my brother's F-100 patch on the flight jacket and told me he designed the patch.

It was just one of the many moments that blew me away yesterday.

I would like to thank you for sponsoring the rally for America. I was there and was truly inspired by the patriotism that I witnessed. We are new to the area and un-familiar with your radio station. Believe me you have a new fan. My radio tuner will now be set to 1200. Once again thankyou
